Kahlert Foundation Scholarship for Towson UTeach (Incoming Freshmen)

**Purpose**

The Kahlert Foundation Scholarship for Towson UTeach (Incoming Freshmen) supports the academic achievement of Maryland high school students who enroll at Towson University to study within the Towson UTeach Program in pursuit of a teaching certification in secondary school science or mathematics.

**Award**

The total potential award amount is $8,000. The first $2,000 is awarded during the student’s initial year at Towson University. The award can be renewed ($2,000) during the student’s second, third, and fourth years at Towson University provided the student is in good academic standing; has maintained a cumulative grade point average of at least 3.0; and has continued to successfully complete appropriate coursework toward the completion of his/her major within the Towson UTeach Program (the secondary education concentration within the mathematics, biology, chemistry, earth-space science, or physics major).

**Eligibility**

- Student must
  - be a Maryland resident
  - enroll in Towson University in Fall 2021
  - have a cumulative high school grade point average of at least 3.25 (unweighted)
  - upon matriculation to Towson University (TU)
    - enroll and maintain status as a full-time TU student (at least 12 credits)
    - declare a major aligned with the Towson UTeach Program (the secondary education concentration of the mathematics, biology, chemistry, earth-space science, or physics major).
- Preference will be given to a student who is the child or grandchild of an existing or former Evapco employee who is or was an employee for no less than one year. It is incumbent on the applicant to provide documentation of his/her relationship to a present or past Evapco employee by furnishing a letter on Evapco stationery, signed by an appropriate company official, that states the applicant’s relationship to the employee and the employee’s length of service to Evapco.
