Dispensary

- Dispensary is provided at Student Health Services for student convenience
- A dispensary is different from a pharmacy, we are not able to accept insurance for medications provided in the dispensary and they are not eligible for Flexible Spending Accounts
Privacy

• All medical information for adult care remains private
• Students can grant permission to share medical information episodically
• In emergency situations or if student is unable to communicate, the TU designated emergency contact will be informed

Please respect your student’s privacy
Public Health
Health Requirements

All Students:
- MMR (two doses on or after first birthday)
- TDAP (one dose of adult TDAP after 2005)
