Honors College Scholarship Award Conditions
(2019-2020)

• This is an annual award which may only be applied towards courses applicable to your first Bachelor’s Degree from TU. It may only be used for full-time fall and spring semester enrollment at TU. The annual award amount will be evenly split into fall and spring disbursements.

• The front of this letter lists the maximum number of terms that you can receive this award.

• You must maintain a cumulative GPA of 3.3, and a cumulative 3.0 GPA in Honors College courses.

• You must enroll in and earn a minimum of 12 credits per semester and must also earn a minimum of 24 units per academic year (Fall-Spring). (While these are the minimum scholarship requirements, we strongly encourage you to complete at least 30 units per year to complete your degree on-time.)

• This offer does not cover the nonrefundable $300 new student enrollment fee, which is a one-time fee assessed to all students attending TU for the first time.

• This scholarship offer is only valid for students enrolling at TU in this fall term. If you choose to defer your admission to a different term, your scholarship offer will be canceled. If you reapply for admission next fall, you may compete for new scholarship offers along with all other fall applicants.

• Your total combined financial aid and educational benefits from all sources can never exceed your annual TU Cost of Attendance Budget. Other aid programs may also have additional restrictions on your total combined aid.

• This award is not transferrable and will be canceled if you transfer to another university.

Renewal Conditions

We review compliance with scholarship requirements at the conclusion of each term. If you fail any of these Award Conditions, your award will be canceled. Students with significant extenuating circumstances may appeal their cancellations.

Other Scholarships and Need-Based Financial Aid

If you complete a Free Application for Federal Student Financial Aid (FAFSA), you will receive a separate response to your FAFSA from the TU Financial Aid Office. They will start sending their Financial Aid Notifications by early March 1. Need-based institutional grants are limited, and recipients will be selected based on financial need and FAFSA application deadlines. The FAFSA is available online at www.towson.edu/faq. For maximum consideration, you should have submitted your FAFSA by January 15. If you missed this deadline, you should still submit a FAFSA to apply for other types of aid.
