Section I – Faculty/Staff Certification

I am requesting tuition reimbursement from a non-USM or non-reciprocal two or four year institution. In accordance with USM Policy VII-4.10, Tuition Remission and Tuition Reimbursement for Regular Staff and Faculty Employees, I understand and certify the following:

- The course is job-related and will contribute to my job performance.
- The course is not available at any USM or reciprocal institution.
- Operations and resources permit my enrollment in and reimbursement for the course.
- My eligibility for reimbursement is limited to one course per semester, not to exceed four credit hours.
- My department head or chair must submit this request to the Office of Human Resources (OHR) at least two weeks prior to the first class meeting of the course. Advance approval by OHR is required in order for me to receive reimbursement for the course.
- I am responsible for paying tuition and related fees to the attending institution.
- Course fees and expenses, other than tuition, are not reimbursable.
- When I submit the request for reimbursement, I must attach documentation of the tuition amount to be reimbursed and receipt of a grade of “C” or better in the course.
- If I am enrolled in courses at a USM or reciprocal institution, total enrollment is limited to 8 credits per semester, which includes the course I am requesting under the reimbursement policy.
- Reimbursement of an approved course, per credit hour, is limited to the amount currently charged for a graduate credit hour at the University of Maryland College Park.
- If this course is required by my department, I may be absent from work for no more than one-half day on days when classes are scheduled and I will not be required to make up time away from my job at Towson University on class days.
- If the course is not required by my department, I will enroll in a class that meets during non-work hours, if feasible. If I am absent from work to attend the class, I understand I must either use applicable accrued leave or make up any hours of work lost.
