Towson University Police Department (TUPD) provides sworn police and security services to the TU community 24 hours a day, 365 days a year. TUPD helps the campus maintain one of the lowest per capita crime rates of all University of Maryland System institutions.

TUPD holds dual accreditations from the Commission for Accreditation for Law Enforcement Agencies (CALEA) and The International Association of Campus Law Enforcement Administrators (IACLEA). Fewer than six percent of law enforcement agencies nationwide can claim this distinction.

Partnerships

Partnerships are central to Towson University’s identity as a community-engaged institution. They support our mission, enhance the student learning experience and create positive impacts in our community.
TU addresses regional needs through outreach initiatives and community collaborations that range from K–12 programs to adult learning opportunities, from economic development to speech/language/hearing screenings and from Division I athletics to community arts programs.
BTU-Partnerships at Work for Greater Baltimore, is one of eight presidential priorities linked to and aligned with TU’s strategic plan.
351 faculty, students and staff have active engagements with BTU network partners.
540 partner organizations in greater Baltimore and throughout Maryland work with TU to create positive impacts.

Athletics

The most comprehensive intercollegiate athletics program in the Baltimore metropolitan area offers a variety of spectator opportunities. The Tigers compete primarily in the Colonial Athletic Association (CAA), the top mid-major conference in the country. Towson’s athletics program is a rallying point for students, faculty, staff and the community and welcomes fans of all ages to a convenient location for affordable family entertainment.

Location

The TU campus is located in the heart of Towson, just 10 miles from Baltimore’s Inner Harbor and an hour from Washington, D.C.

Fundraising

The first time in the school’s history over $10 million was raised in consecutive years.

Growth

Towson University is making historic investments in modern facilities that advance our academic mission. Construction is underway on our new Science Complex, which will open in fall 2020 as the largest academic space on campus. The University Union is being transformed through a complete renovation and an 85,000-square-foot addition to expand event, dining and student group space.
Several other projects—including a new College of Health Professions building—are scheduled over the next five to seven years. To find out more, visit towson.edu/facilities/masterplan/.
