PARATRANSIT AGREEMENT

I understand that my application will be returned if it is not complete. I confirm that all of the information that I provide on this application is true to the best of my knowledge. I understand that a false statement made herein may result in the rejection of my application for Paratransit service. I also understand that failure to adhere to the policies and procedures for using Paratransit may be grounds for suspending or revoking my eligibility to participate in this program.

I understand and agree to the following:

- I must call Parking & Transportation Services as soon as possible if there are any changes or cancellations to my scheduled trips. Failure to do so will result in my trips being cancelled for the day. Repeated failures to do so will result in the loss of riding privileges until I contact Parking & Transportation Services or Disability Support Services.
- I will schedule trips at least 30 minutes before my desired arrival time to account for weather, traffic and other trips. I understand that other people are riding, too, so service may not be direct. During peak times, I should schedule 45 minutes before my arrival time to be sure I arrive on time.
- I should be at the pick-up location at least 5 minutes before my scheduled ride. The driver will not wait past the scheduled time.
- If I am not at the pick-up location I will be considered a No Show. All rides that day will be cancelled unless I call Parking and Transportation Services.
- I will contact Parking and Transportation Services if I no longer need the service before my permit expires.
- Failure to adhere to the policies and procedures for using Paratransit may be grounds for suspending or revoking my eligibility to participate in this program.
