

RIDE SAFELY

WEARING IS CARING

- Masks are required in all shuttles and paratransit vehicles.
- Masks should cover both the nose and mouth for optimal effectiveness.
- Properly clean or discard masks in trash cans after every use.

PLAN AHEAD

- Have your OneCard ready to swipe when boarding.
- Choose earlier shuttles to avoid peak times.
- Visit tutigerride.com to plan your trip, or to find out when the next shuttle arrives.

WASH AND REPEAT

- Always cough or sneeze into your arm and not towards others.
- Buses and shuttles are disinfected regularly in accordance with CDC guidelines.

DOC MARKS THE SPOT

- Sit in marked seats to maintain physical distancing when riding.
- Keep six feet between you and others when awaiting the shuttle.
- Always follow occupancy limits.

SAFETY IS SHARED

- Riders are required to follow physical distancing guidelines.
- Drivers may refuse ridership at their discretion.
