March 22, 2019

Ladies and Gentleman:

The purpose of this addendum is to clarify certain portions of the above-referenced project with all prospective vendors.

Clarifications:
C2) Remove and replace pages S1-01 and S5-01 of “Towsontown Garage Repair” drawings with “Revised Towsontown Garage Repairs – S1-01 & S5-01” drawings which are included via this addendum #2.

Questions:
Q2) Can TU provide some direction as to the acceptance of a stand-alone bid for the Add Alternate #1 Towsontown Parking Garage Repairs?
A2) Towson University will not consider a stand-alone bid for Add Alternate #1. In order for a bid to be considered responsive, bidders must include pricing for the Base Bid, Add Alternate #1 and all requested unit pricing.

All addenda will be incorporated into the final contract documents and will be binding on all vendors responding to this solicitation. Each vendor submitting a bid/proposal must acknowledge receipt of all addenda by completing and forwarding Exhibit K (included in the bid package) with the bid response; failure to acknowledge addenda may result in bid/proposal rejection.

If you have any questions regarding this addendum, please contact me at (410) 704-2050 or email me at MLCompton@towson.edu.

Sincerely,

Michelle Compton
