

Clinical Assistant Professor
Department of Computer and Information Sciences
The Jess and Mildred Fisher College of Science and Mathematics
FCSM-N-3134

Position:

The Jess and Mildred Fisher College of Science and Mathematics invites applications for a non-tenure-track, 10-month Clinical Assistant Professor position in the Department of Computer and Information Sciences beginning August 2018.

Qualifications:

PhD, or comparable terminal degree, in Computer Science or a related field. Expertise in teaching, demonstrated strength in research or possess strong industrial experience in one or more of the following areas: programming languages, networking, cybersecurity, and software engineering.

Responsibilities:

Teach undergraduate and graduate courses, develop strong connections with industry, provide curricular design leadership in area of expertise, mentor undergraduate and graduate students, apply for external funding and participate in department activities. Focus of position will be on the MS Applied Information Technology program. In addition, the candidate will support related courses in our BS Computer Science, BS Information Technology and MS computer Science Programs.

Department of Computer and Information Sciences:

The department offers an ABET/CAC-accredited Bachelor of Science degree in Computer Science, including specialized tracks in cybersecurity and software engineering, a Bachelor of Science degree in Information Systems, a Bachelor of Science degree in Information Technology, a Master of Science degree in Computer Science, a Master of Science degree in Applied Information Technology in collaboration with the School of Emerging Technologies, and a Doctor of Science degree in Information Technology. The Department of Computer and Information Sciences has approximately 40 full-time faculty members, collectively over 1,500 undergraduate majors in the Computer Science, Information Systems, and Information Technology programs, and approximately 400 graduate students. The Department is placed within the Fisher College of Science and Mathematics. With more than 3,600 undergraduates, 34% of whom are minority students, the Fisher College of Science and Mathematics is one of the fastest-growing and most diverse colleges at Towson University.

Towson University:

Towson University (www.towson.edu) was founded in 1866, is recognized by U. S. News and World Reports as one of the top public universities in the Northeast and Mid-Atlantic regions, is one of Baltimore's largest universities, and is the largest public, comprehensive institution in the University of Maryland System. TU enrolls almost 19,000 undergraduates and over 3,000 graduate students across six academic colleges (business, education, fine arts, health professions, liberal arts, science & mathematics), has over 865 full-time faculty, and offers more than 65 bachelor's, 45 master's, and 5 doctoral programs. Our centrally located campus sits on 330

rolling green acres and is 10 miles north of Baltimore, 45 miles north of Washington D.C., and 95 miles south of Philadelphia.

Application Process:

Review of applications begins January 2, 2018 and continues until the position is filled.

Applicants should submit a letter of application, curriculum vitae, copies of graduate transcripts, research and teaching statements, a recent research paper, and the name, address, phone and e-mail address of three professional references. **All materials must be submitted electronically.**

Applicants should send their items to CSSearch@towson.edu.

A Criminal Background Investigation is required for the hired candidate and the results may impact employment.

Please be sure to visit <http://www.towson.edu/inclusionequity/employment/data.html> to complete a voluntary on-line applicant data form. The information you provide will inform the university's affirmative action plan and is for statistical-related purposes only. The information will not be used for any other purpose. Please note that the search number for which you have applied is: FCSM-N-3134.

Towson University is an equal opportunity/affirmative action employer and has a strong institutional commitment to diversity. Women, minorities, persons with disabilities, and veterans are encouraged to apply.
