The Jess and Mildred Fisher College of Science and Mathematics
FCSM-N-3141

Position:

The Jess and Mildred Fisher College of Science and Mathematics invites applications for a non-tenure-track, 10-month Master Teacher Clinical Instructor, specialty in Mathematics, with the Towson UTeach Program beginning August 2018.

Qualifications:

Master's degree or equivalent experience (bachelor degree plus 36 credits), preferably in mathematics secondary education or mathematics; a minimum of five years of exemplary secondary public school teaching experience in mathematics; be recognized for educational leadership and demonstrate skill and passion for working with students and novice teachers. Experience teaching computer science is desirable.

Responsibilities:

Towson UTeach Master Teachers are Clinical Instructors with a workload of 8 course unit equivalents per year (one course unit equivalent = 3 contact hours).

- Teaching (7 to 9 course contact hours and 12 equivalent contact hours in field observations per year):
Teach introductory courses that provide students the opportunity to explore STEM teaching as a career and assist in upper-level courses. Introductory level classes meet one and a half to two hours per week.
- Supervise field placement components of introductory and upper level classes. Field placements take place in elementary, middle and high school mathematics and science classes.
- Teach professional year senior seminars.
- Supervise students during the last two semesters in their internships.
- Guide students through lesson planning; providing suggestions for revisions prior to teaching, observing, and providing feedback for students' teaching experiences.
- Serve as liaison with host school administrators and mentor teachers for field placements.
- Schedule field placements (matching student schedules with school schedules and transportation limitations).

Administrative (1-2 course unit equivalents per year):

- Manage Towson UTeach Student Resource Center, including purchase and preparation of field materials and the maintenance of available technology (iPads, laptops, PASCO probes)
- Manage Towson UTeach externships (work opportunities for students) including serving as a liaison between potential employers.
- Recruit students to the program (from local high schools and community colleges as well as from existing Towson University students).
