

Clinical Assistant Professor or Associate Professor in Physical Education/Teacher Education
Department of Kinesiology
College of Health Professions
CHP-N-3223

Position:

The College of Health Professions invites applications for a non-tenure-track, 10-month Clinical Assistant Professor/Associate Professor position in the Physical Education/Teacher Education Program in the Department of Kinesiology beginning August 2019. Candidates who wish to be considered for appointment at the rank of Clinical Associate Professor must meet all requirements for promotion to the Clinical Associate Professor rank at Towson University.

Qualifications:

Masters degree in Physical Education/Teacher Education or related area. Doctoral degrees in Physical Education/Teacher Education or related area will be given preference. Three or more years of experience teaching physical education at the K-12 level is required. Demonstrate competence in clinical/professional teaching in the area of expertise. Candidates must have the training and expertise to teach courses in adapted physical education and/or health education. Preference given to candidates with experience and skills related to the accreditation process and/or internship supervision responsibilities. An established record of excellent teaching in higher education will be given preference. Candidates wishing to be considered for the rank of associate clinical professor must have extensive successful experience in the Physical Education/Teacher Education discipline which includes, but is not limited to, experience supervising students in the K-12 school system, superior teaching ability, and administrative accomplishments. Experience in interdisciplinary teaching, demonstrated success in working with diverse populations and students, and experience with a variety of teaching methods is preferred.

Responsibilities:

Provide high quality instruction in the classroom and learning experiences and supervision for student interns in K-12 schools. Maintenance of disciplinary expertise through a range of scholarly and other activities related to the position. Assist with curricular activities, student recruitment, student advising and will provide service to the department, college, university, profession and community.

Department Information:

The Department of Kinesiology, located within the College of Health Professions, has 33 full-time faculty and more than 1,400 students across the Physical Education/Teacher Education, Athletic Training, Sport Management, and Exercise Science undergraduate programs. The Physical Education/Teacher Education has approximately 120 majors. The Department is also responsible for oversight of the College of Health Professions Institute for Well-Being's Wellness Center that serves over 300 members each year with its programs that support student education and community outreach. In addition, the Department has a strong, positive relationship with the University's Division of Athletics.

Towson University:

Towson University (www.towson.edu) was founded in 1866, is recognized by U. S. News and World Reports as one of the top public universities in the Northeast and Mid-Atlantic regions, is Baltimore's largest university, and is the largest public, comprehensive institution in the University of Maryland System. TU enrolls over 18,000 undergraduates and approaching 4,000 graduate students across six academic colleges (business, education, fine arts, health professions, liberal arts, science & mathematics), has over 865 full-time faculty, and offers more than 65 bachelor's, 45 master's, and 5 doctoral programs. Our centrally located campus sits on 330 rolling green acres and is 10 miles north of Baltimore, 45 miles north of Washington D.C., and 95 miles south of Philadelphia.

Application Process:

Review of applications begins immediately and continues until the position is filled. Application materials should include a letter of application, curriculum vitae, and contact information (name, address, email, phone number) for at least three professional references. Submission of materials as one PDF attachment is strongly encouraged and should be directed to Dr. Jaime R. DeLuca, chair of the search committee:

Dr. Jaime R. DeLuca, Ph.D.
