Assistant Professor or Associate Professor  
Department of Health Sciences  
College of Health Professions  
CHP-N-3235

**Position:**  
The College of Health Professions invites applications for a tenure-track, 10-month Assistant Professor or Associate Professor position to teach in the Allied Health (AHLT) program, which is fully online. It offers Associate Degree prepared clinicians a baccalaureate education to augment their technical skills and prepare them for career advancement and successful leadership. Face to face and graduate teaching opportunities also exist. The position begins August 2019. Salary is competitive and includes a state benefits package.

**Qualifications:**  
Research doctoral degree in a health related field. ABD applicants will be considered, but appointment will be at the Instructor rank and all the degree requirements must be completed by February 1, 2020. Preference will be given to candidates with a record of teaching excellence, healthcare management and/or clinical practice experience and an active program of scholarship leading to publications in refereed journals. Preferred candidates will have online teaching experience and IT knowledge. Other requirements include: ability to develop collaborative relationships across disciplines and with external healthcare organizations and community colleges. Candidates who wish to be considered for appointment at the rank of Associate Professor must meet all requirements for promotion to the Associate Professor rank at Towson University.

**Responsibilities:**  
Faculty are assigned an instructional workload of six (6) course units (three credit hours each) per academic year for the first year. Beginning the second year the workload assigned is a standard instructional workload of seven (7) courses unless otherwise negotiated with the department chair. Other responsibilities include advisement; university, professional and community service/outreach and possible program coordination depending upon the applicant’s rank and experience.

**Department of Health Science:**  
This interprofessional, team-oriented department is comprised of nine graduate and undergraduate programs committed to excellence in preparing tomorrow’s health workforce with the knowledge, professionalism, and skills necessary to promote health and well-being in an increasingly diverse and fast changing world. The AHLT program is committed to excellence in online teaching, and building interprofessional connections across disciplines (e.g. healthcare management, public health, leadership, gerontology, etc.) to advance leadership in the allied health professions.

**Towson University:**  
Towson University (www.towson.edu) was founded in 1866, is recognized by U. S. News and World Reports as one of the top public universities in the Northeast and Mid-Atlantic regions, is Baltimore’s largest university, and is the largest public, comprehensive institution in the
University of Maryland System. TU enrolls over 18,000 undergraduates and approaching 4,000 graduate students across six academic colleges (business, education, fine arts, health professions, liberal arts, science & mathematics), has over 865 full-time faculty, and offers more than 65 bachelor’s, 45 master’s, and 5 doctoral programs. Our centrally located campus sits on 330 rolling green acres and is 10 miles north of Baltimore, 45 miles north of Washington D.C., and 95 miles south of Philadelphia.

Application Process:
Review of applications begins immediately and continues until the position is filled. Application materials should include a letter of application, curriculum vitae, and contact information (name, address, email, phone number) for at least four professional references. Electronic submission of materials as PDF attachments is strongly encouraged. Application materials should be directed to the chair of the search committee:
