Visiting Assistant Professor, Cell and Molecular Biology
Department of Biological Sciences
The Jess and Mildred Fisher College of Science and Mathematics
FCSM-N-3268

Position:
The Jess and Mildred Fisher College of Science and Mathematics invites applications for a one-year with the possibility of renewal for second year, non-tenure track, 10-month Visiting Assistant Professor position in the Department of Biological Sciences beginning August 2019.

Qualifications:
PhD in appropriate field. Possess a strong commitment to excellence in teaching.

Responsibilities:
Teach the equivalent of eight 3 credit courses per academic year as well as engage in service activities to the department. Teaching responsibilities may include upper-level Cell or Molecular Biology lectures, a Molecular Biology Laboratory course, or other courses in these areas.

The Department:
Additional information about the Department of Biological Sciences is available at http://www.towson.edu/biology.

Towson University:
Towson University (www.towson.edu) was founded in 1866, is recognized by U. S. News and World Reports as one of the top public universities in the Northeast and Mid-Atlantic regions, is Baltimore’s largest university, and is the largest public, comprehensive institution in the University of Maryland System. TU enrolls over 18,000 undergraduates and approaching 4,000 graduate students across six academic colleges (business, education, fine arts, health professions, liberal arts, science & mathematics), has over 865 full-time faculty, and offers more than 65 bachelor’s, 45 master’s, and 5 doctoral programs. Our centrally located campus sits on 330 rolling green acres and is 10 miles north of Baltimore, 45 miles north of Washington D.C., and 95 miles south of Philadelphia.

Application Process:
Review of completed applications begins immediately and continues until the position is filled. Submit curriculum vitae, a one-page statement on teaching philosophy, and letters from two references. Application materials must be submitted electronically in PDF or Word format to:
