TU Class / Lab Fees: Academic Year 2023-2024 (SAMPLE)

Subject	Course Number	Fee Amoun	
ACSD	622	\$25	For audiological diagnostic tests supplies (e.g., test forms, acoustical tests, disposable probe covers), anatomical models, replacement parts for probes, sensors, and other fragile parts of audiological test equipment that are worn out or broken by students during student labs
ACSD	743	\$25	during student labs
ACSD	744	\$25	For electrophysiology supplies: gel, wires, attachment cups, replacement parts for probes, sensors, and other fragile parts of electrophysiology test equipment that are worn out or broken by students during student labs
ACSD	755		For hearing aid supplies for class demonstration and assignments, ear mold impression materials and mailing/processing fees to make ear molds
ANTH	328	\$30	For lab smocks, latex gloves, human remains.
ANTH	457	\$50	casting combo blue
ANTH	470		Human remains, Scalpels, Face Shields, Disposable Lab Coats, Cheeseclosth, Lipase, Pot liners
ARED	371		For course materials and varied art supplies such as paint, paper, cardboard and 3D materials
ARED	373		For course materials and varied art supplies such as paint, paper, cardboard, and 3D materials
ARED	381		For course materials and varied art supplies such as paint, paper, cardboard, and 3D materials
ARED	383		For course materials and varied art supplies such as paint, paper, cardboard, and 3D materials
ARED	463		For course materials and varied art supplies such as paint, paper, cardboard, and 3D materials
ARED	464		For course materials and varied art supplies such as paint, paper, cardboard, and 3D materials
ART	100		For course materials, media files and equipment such as inexpensive cameras
ART	101		For Wacom tablet pens, headsets, printer ink, digital cameras
ART	103		For course materials, media files and equipment such as inexpensive cameras
ART	104		For course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART	107		For course materials, clay and glazes
ART	109		For course materials, 3D materials such as wood, metal, plaster and equipment such as saw blades
ART	111		For course materials, art supplies and equipment such as inexpensive cameras
ART	114		For course materials such as wook, metal, sandpaper, glue, and equipment such as blades, wielding supplies, and bits.
ART	117		For odorless mineral sprits, denatured alcohol, Simple Green, Gamblin set of etching inks, Gamblin set of relief inks, ferric chloride acid, copper, shina wood, tarlatan
ART	118		For course materials, 3D materials such as metal and equipment such as saw blades
ART	126		For fabrics, dyes and other supplies
ART	146		For course materials, art supplies and equipment such as inexpensive cameras
ART	147		For sponges for printing, gloves, containers for ink, ink primaries, black and white, Mask, computer printer ink, Ajax/Comet powered cleaner, Stonehenge, cougar white paper, anti-bacterial spray
ART	156		For binders board, binding needles, book cloth, Boraxo hand cleaner, linen bookbinding thread, PVA glue, rags, Simple Green
ART	157		For Boraxo hand cleaner, Citri-Solv, Gamsol, Hanco set of inks, Nitrile gloves, rags, Simple Green
ART	161		For PXL CORE (powder for 3D Printer, PXL Clear Binder for 3D Printer,
ART	205		For course materials, clay, equipment such as anatomical models and human models
ART	211		For course materials, equipment such as anatomical models and human models
ART	212		For computer software licenses and laptop computer materials
ART ART	217 218		For software computer equipment such as computer mice, digitizing tablets, digital cameras and styluses
			For course materials, 3D materials such as metal and equipment such as grinding wheels
ART	219		For software computer equipment such as computer mice, digitizing tablets, digital cameras and styluses
ART ART	220 229		Supplies and Equipment for various printing, digital cameras, and general class/course use.
ART			For paints, brushes, painting surfaces and other supplies for painting For course materials, clay and glazes
ART	231		
ART	233 234		For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART	234		For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts For materials such as photo paper, digital photo media cards, replacement of equipment parts and digital accessories
ART	235		r or materials such as photo paper, olgital photo media cards, replacement or equipment parts and digital accessories For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART	236		n) For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts
ART	237		y For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts For materials such as photo paper, photo chemicals, digital photo media cards, replacement of equipment parts, digital camcorders and accessories
ALV I	238	\$50	npromaterials social as prioro paper, prioro criemicais, digital prioro media caros, repracement or equipment parts, digital carricorders and accessories

	MCOM MCOM	341 358		For computer work stations and software, including: AP Stylebook online, LAN Schools software For computer work stations and software, including: AP Stylebook online, Newsroom 101 online training, LAN Schools software

исом	381	For computer work stations and software, including: Final Cut X video editing software, JVC Video Cameras, tripods and other accessories (microphones, cords, SD cards), Edirol Digital Audio Recorder and accessories. Adobe Audition Audio Editing software, EZ News casting software
СОМ	391	\$25 For computer work stations and software, including: Cannon digital cameras and accessories, Photo Mechanic software
		For computer work stations and coffware including: AP Stateback online Ediral Digital Audia Recorders and acceptance Coppen digital compares and acceptance
ICOM	407	\$25 and computer work statution and someware, including a Art Syledous former, Educational and accessories, Calmon digital cameras and accessories, 370 video deciminals, implous and one sessories (microphones, cords, SD cards). Final Cut X video editing software, MediaStorm online training
СОМ	481	\$25 For computer work stations and software, including: Final Cut X video editing software, JVC Video Cameras, tripods and other accessories (microphones, cords, SD cards), EZ News casting software
ICOM	507	\$25 For computer work stations and software
IUED	194	\$10 For guitar instrument maintenance and repairs including instrument replacement purchases, guitar strings, cases, capos, and sheet music.
IUED	201	\$25 For brass instrument maintenance and repairs including instrument replacement purchase (euphonium, piccolo trumpet, etc.), ear plugs, sheet music
IUED	202	\$25 For brass instrument maintenance and repairs including instrument replacement purchase (euphonium, piccolo trumpet, etc.), ear plugs, sheet music
UED	203	\$25 For string instrument maintenance and repairs including bow replacement, cello & violin strings replacement and spares, sheet music
UED	204	\$25 For string instrument maintenance and repairs including bow replacement, cello & violin strings replacement and spares, sheet music
UED	205	\$25 For woodwind instrument maintenance and repairs including purchase instrument storage cases, sheet music, instrument replacement
UED	206	\$25 For woodwind instrument maintenance and repairs including purchase instrument storage cases, sheet music, instrument replacement
UED	207	\$25 For percussion instrument maintenance and repairs including marimba repair, mallet purchases, small percussion purchases (snare drums, gongs, bells), sheet music, ear plugs
UED	208	\$25 For percussion instrument maintenance and repairs including marimba repair, mallet purchases, small percussion purchases (snare drums, gongs, bells), sheet music, ear plugs
IUED	220	\$25 For percussion instrument maintenance and repairs including marimba repair, mallet purchases, small percussion purchases (snare drums, gongs, bells), sheet music, ear plugs
IUED	294	\$10 For guitar instrument maintenance and repairs including instrument replacement purchases, guitar strings, cases, capos, and sheet music.
IUSA	100	\$50 For creative technology lab equipment, programs and concert needs including compositional software, binder machine supplies, audio recording equipment & supplies, audio software plug-ins
IUSA	200	\$50 For creative technology lab equipment, programs and concert needs including compositional software, binder machine supplies, audio recording equipment & supplies, audio software plug-ins
USA	300	\$50 For creative technology lab equipment, programs and concert needs including compositional software, binder machine supplies, audio recording equipment & supplies, audio software plug-ins
USA	400	\$50 For creative technology lab equipment, programs and concert needs including compositional software, binder machine supplies, audio recording equipment & supplies, audio software plug-ins
USA	600	\$50 For creative technology lab equipment, programs and concert needs including compositional software, binder machine supplies, audio recording equipment & supplies, audio software plug-ins
IUSC	105	\$25 For music theory laboratory equipment, workstations, software, and headphones
USC	116	\$25 For songwriting and basic music composition laboratory equipment, workstations, and software including Finale and Logic, headphones
USC	131	\$25 For music theory laboratory equipment, workstations, and software including headphones, resource room scanner, Finale, Logic
USC	132	\$25 For music theory laboratory equipment, workstations, and software including headphones, resource room scanner, Finale, Logic
USC	231	\$25 For music theory laboratory equipment, workstations, and software including headphones, resource room scanner, Finale, Logic
USC	232	\$25 For music theory laboratory equipment, workstations, and software including headphones, resource room scanner, Finale, Logic
USC	382	\$50 For recording techniques laboratory equipment, workstations, and software including Protocols, Logic, microphones, headphones, software plug-ins
USC	437	\$50 For repair and maintenance of the equipment and software in the Creative Technology Lab and the Music Computer Lab
USC	482	\$50 For recording techniques laboratory equipment, workstations, and software including Protocols, Logic, microphones, headphones, software plug-ins
USC	537	\$50 For repair and maintenance of the equipment and software in the Creative Technology Lab and the Music Computer Lab
OTH OTH	217	\$25 For course materials used in teaching/learning/supporting performance of daily living skills, such as walkers, transfer/dressing aids, and blood pressure cuff
JIH .	218	\$50 For expendable supplies (e.g. clay, wood, paint, computer software for cognitive retraining) in occupational analysis lab
CTH	317	For expendable splinting supplies (straps, glue, thermoplastics) supplies for teaching physical agent modalities (e.g. ultrasound, etc.) and adaptive equipment (e.g. built up spoon, plate guard) for classroom lab experiences
СТН	600	For course materials supporting teaching/learning/supporting performance of daily living skills, such as walkers, transfer/ dressing aids, blood pressure cuff and expendable supplies (e.g. clay, wood, paint, computer software for cognitive retraining in occupational analysis lab
СТН	607	For expendable splinting supplies (straps, glue, thermoplastics) supplies for teaching physical agent modalities (e.g. ultrasound, etc.) and adaptive equipment (e.g. built up spoon, plate guard) for classroom lab experiences
СТН	678	\$50 For maintaining/updating/replacing standardized measurement tools and standardized assessment forms, such as Canadian Occupational Performance Measure and Infant/Child/Adolescent/Adult Sensory Profiles
CTH	781	Stol For suprimite to enable data collection and analysis (e.g. instruments outreach materials, participant incentives)
CTH	782	\$50 For supplies to enable data collection and analysis (e.g. instruments outreach materials, participant incentives)
HSC	101	525 For equipment, supplies
HSC	206	\$20 For balloons, gloves, foam balls, Easel post-its, Alka-Seltzer, Ziploc bags, PH reagent, hand warmers, crystallization chemicals, shells, vinegar, food coloring
ISC	303	\$25 For bulbs, electric circuits, replacement of components
HYS	131	\$10 For spectrum tubes and gratings, printer paper and toner, penlights, batteries, graph paper, masking tape, holography supplies, latex gloves, glow sticks, colored pencils, optics components
HYS	143	\$25 For monochord supplies, replacement headsets and microphones
		\$10 For silica spheres, printer paper and toner. Easel pads, marker board, graph paper, masking tape

PHYS	205	\$25 For scales, tuning forks, measuring equipment, glassware, disposable equipment
PHYS	206	\$25 For laser pointers, telescope making kits, replacements for rock kits, glassware
PHYS	211	\$10 For silica spheres, printer paper and toner, Easel pads, marker board, graph paper, masking tape, rubber tubing, oil
PHYS	212	\$10 For electronic components, repair or replacement of electronic equipment, specialty papers and toner
PHYS	241	\$25 For replacement of equipment
PHYS	242	\$25 For light bulbs, electronic components, replacement of equipment
PHYS	270	\$20 For student version of Lab View software
PHYS	335	\$50 For electronic components, electronic lab kits, oscilloscopes, Cultism software
PHYS	337	\$50 For electronic components, breadboards, oscilloscopes, Cultism software
PHYS	341	\$50 For radioactive sources, isotope generator, equipment replacement, spectrum tubes, BNC cables, function generator, power supplies, GPIB card
PHYS	342	\$50 For photoresist and developer, protective gloves, acetone, glassware, evaporation materials
PHYS	361	\$50 For optical components, lasers and light sources, optics-electronic equipment, opto-mechanical equipment, cleaning supplies
PSYC	720	For tests and test protocols necessary for evaluating cognitive, academic, and social/emotional/behavioral functioning of children and adolescents and for treatment manuals and psychoeducational materials
SCIE	355	For chart paper, chart markers, hot glue guns and supplies, dowels, knife blades, aluminum foil and wax paper, tape, paper towels, eggs, paintballs, notecards, pipe cleaners, craft foam, felt, cotton balls, bubble wrap
SCIE	371	\$10 For chart paper, chart markers, tape, notebooks, miscellaneous kitchen supplies and food items
SCIE	376	\$25 For chart and construction paper, soil, sand, plastic cups, water testing kits, food coloring, and composition notebooks
SCIE	381	\$30 For balloons, gloves, pumpkin, easel post-it, baking powder, Ziploc bags, batteries, straws, bulbs, Sharpies, Wisconsin fast plants
SPED	413	For materials used to create low-tech assistive technology (such as pencil grips, reading guides, specialized paper, etc.) as well as specialized assistive and instructional technology equipment (smart pens, Intellikeys, etc.) and software (Inspiration, Board maker, etc.)
SPED	646	For materials used to create low-tech assistive technology (such as pencil grips, reading guides, specialized paper, etc.) as well as specialized assistive and instructional technology equipment (smart pens, Intellikeys, etc.) and software (Inspiration, Board maker, etc.)
SPPA	714	\$25 For paper, paints, white boards, markers, specialized materials that vary in color and touch, and other materials
THEA	142	\$25 For paper, paints, and specialized materials for scenic design
THEA	201	\$25 For paper, paints, and specialized materials for scenic design
THEA	245	\$50 For materials for makeup design including crepe hair, collodions, special effects makeup, silicone based makeup, adhesives, removers, non-traditional makeup
THEA	246	\$50 For materials for special prosthetic makeup design including modeling clay, alginate, plaster bandages, foam latex, platinum cure silicones, non-traditional makeup
THEA	253	\$25 For watercolor sets and paper, sketch paper, paint brushes
THEA	320	\$25 For yards of muslin, commercial dress patterns, rolls of pattern paper, and thread
THEA	351	\$25 For steel rods and plate steel
THEA	357	\$25 For paper and drafting equipment for class
THEA	358	\$50 For metal and materials for stage property class
THEA	445	\$50 For scenic paint and scenic brushes
