ART  462  $30  For course materials, reference materials and computer equipment such as computer mice, digitizing tablets, digital cameras and styluses
ART  463  $25  For course materials, reference materials and computer equipment such as computer mice, digitizing tablets, digital cameras and styluses
ART  465  $50  For button-making supplies, field trips, printing of posters and maps
ART  473  $30  For ink jet printing, paper, stylus, mouses, tablets, paint, Cintiq paper
ART  474  $30  For odorless mineral spirits, denatured alcohol, Gamblin set of etching inks, Simple Green, spray paint, ball hard and soft ground, asphaltum, bees wax, gum Arabic, copper, universal etching ground
ART  476  $40  For Wacom tablet pens, tablets, paper, light bulbs
ART  483  $60  For course materials, reference materials and computer equipment such as computer mice, digitizing tablets, digital cameras and styluses
ART  496  $30  For ink jet printing, paper, stylus, mouses, tablets, paint, Cintiq paper
ART  497  $30  For ink jet printing, paper, stylus, mouses, tablets, paint, Cintiq paper, fine art paper
ART  498  $30  For ink jet printing, paper, stylus, mouses, tablets, paint, Cintiq paper, fine art paper
ASTR  161  $10  For chemicals, light bulbs, printer paper and toner
ASTR  303  $50  For class field trip.
BIOL  117  $20  For electrophoresis supplies, water test supplies, field trips
BIOL  120L  $30  For compounds such as electrophoresis supplies and equipment, replica skulls, chemicals and equipment for testing food, environmental meters, consumable supplies (such as pipettes, morns, test tubes, etc.)
BIOL  191L  $30  For compound microscopes, CO2 sensors, flash gel dock, centrifuges, vortex mixers, micropipettes, hot plates and water bath
BIOL  192  $30  For compound microscopes, CO2 sensors, flash gel dock, centrifuges, vortex mixers, micropipettes, hot plates and water bath
BIOL  200L  $45  For all disposable supplies such as DNA kits, PCR kits, clean up kits, E.coli dna, reagents, test tubes, centrifuge tubes, pipettes, microtippe tips, goggles, oranges, trypsin, trichloroacetic acid, dialysis
BIOL  205  $25  For materials such as fresh vegetables, fruits and flowers for examination, equipment such as microscope slides and stains, and transportation and entrance fees for two field trips
BIOL  207  $40  For live specimens, preserved specimens, van mileage for field trips, seining nets, supplies for lab (new blades for dissection knives, microscope slides and cover slips), replacement microscope
BIOL  215  $50  For culture media, reagents, chemicals, glassware, plastic ware, pet dishes, pipettes, gloves, slides, microbial strains, microscope repairs and replacement
BIOL  221L  $25  For replacement anatomical models and to support BIOPAC tools such as dynamometers and electrodes that are used in the physiology laboratory
BIOL  222L  $25  For replacement anatomical models and to support BIOPAC tools such as dynamometers and electrodes that are used in the physiology laboratory
BIOL  301  $20  For plastic cups, Ziploc bags, water quality test materials, soil chemistry test materials, modeling clay, paper plates, chart paper
BIOL  303  $10  For yarn, plastic cups, crayons, markers, construction paper, glue sticks, paper plates, chart paper, seeds, flowers, fruit
BIOL  312  $50  For consumable plastic ware, pipette tips, PCR tipes, micro centrifuge tubes, reagents, tag polymerase
BIOL 318 $50 For culture media, petri dishes, slides, reagents, nitrite gloves, occasionally microbial strains, glassware, microscope repairs and replacement

BIOL 325 $20 For replacement anatomical models and to support BIOPAC tools such as dynamometers and electrodes that are used in the physiology laboratory

BIOL 353 $50 For materials related to invertebrate lab including fresh specimens for dissection, and lab equipment such as microscopes, vials, forceps, dissecting pins, van rentals for field trips

BIOL 360 $80 For microscope bulbs, staining kits, poly-prep slides, coverslips, mounting media, Citro-Solv, alcohol

BIOL 402 $40 For field trips, chemicals, materials for water monitoring, repairs and replacement of molecular equipment

BIOL 406 $50 For field trips, chemicals, materials for water monitoring, repairs and replacement of field equipment

BIOL 410 $80 For field trips, chemicals, materials for water monitoring, repairs and replacement of molecular equipment

BIOL 412 $80 For culture media, reagents, cell culture ware, plastic ware, pipettes, gloves, and repair/replacement of molecular equipment

BIOL 425 $50 For supplies for cadaver use and care as well as software needed for dissection

BIOL 427 $50 For plastic models and human cadavers

BIOL 432 $50 For fresh plant materials, microscope slides, cover slips

BIOL 435 $50 For field trips and sampling supplies

BIOL 455 $50 For transportation and entrance fees for two to three day-long field trips to example wetlands located throughout the state, and for three to four shorter trips for field laboratory based activities

BIOL 455 $80 For sharks, KOH, H2O2, NAIAb entrance fee, boat rentals, gasoline, campfire fees, aquarium supplies

BIOL 456 $50 For van rental for field trips, a Maryland Department of Natural Resources permit, bird seed, purchases for anatomical dissection, replace or repair broken/defective binoculars and spotting scopes, chase

BIOL 458 $50 For vehicles for field trips and sampling supplies (vials, jars, chemicals)

BIOL 461 $50 For insect collection materials, insect boxes, pens, vials, nets, collecting jars, ethyl acetate, ethanol, light traps and aspirators, van rental for field trips

BIOL 465 $50 For supplies for physiology experiments

BIOL 467 $50 For van rental for field trips

BIOL 470 $30 For computer equipment used to run physiological simulations, BIOPAC tools (physiological data collection system), transducers, filters and electrodes, AD Instruments, replacement parts, solutions.

BIOL 471 For scales, sensor spots, crayfish, earthworms, soda lime, epinephrine, acetylcholine, atropine, histamine, norepinephrine, serotonin, rats, respiratory gases, cane toads, heparin, n-2-dibutyl adenine

BIOL 532 $50 For fresh plant materials, microscope slides, cover slips

BIOL 552 $50 For van rentals for two field trips

BIOL 560 $80 For microscope bulbs, staining kits, poly-prep slides, coverslips, mounting media, Citro-Solv, alcohol

CHEM 104 $25 For pH and ion selective electrodes and meters, shaker incubators, chemicals and glassware

CHEM 115 $25 For top loading balances, stirring hotplates, pH meters, chemicals and glassware

CHEM 121L $25 For top loading balances, stirring hotplates, chemicals and glassware, burettes, stirring hotplates, chemicals and glassware, spectrophotometers, portable chemical sensor devices and digital pipets

CHEM 131L $25 For spectrophotometers, portable chemical sensor devices and digital pipets, top loading balances, chemicals and glassware, spectrophotometers, portable chemical sensor devices and digital pipets

CHEM 132L $25 For pH and ion selective electrodes and meters, stirring hotplates, solid phase extraction equipment, chemicals and glassware, spectrophotometers, portable chemical sensor devices and digital pipets

CHEM 210 $80 For HPLC columns, plastic ware, syringes, chemicals, pipette tips, cuvettes, vials

CHEM 312 $80 For chromatography columns and vials, syringe filters, reference standards, chemicals, solvents, glassware and plastic ware

CHEM 323 $50 For chemicals, hot vessel gripping device, glassware, microscope grids, stubs, and tweezers, plastic centrifuge tubes, scintillation vials, spectrophotometer cells and stir bars, syringes

CHEM 330 $50 For distillation kits, replacement of broken glassware, sample vials and chemicals, melting point capillaries and apparatus, stirring hotplates, instrumentation, instrument repair/maintenance, instrument

CHEM 331 $50 For top loading balances, melting point capillaries, replacement of broken glassware and chemicals, melting point apparatus, stirring hotplates, instrumentation, instrument repair/maintenance, instrument

CHEM 332 $50 For micro scale distillation column apparatus, thermometers, replacement of broken glassware and chemicals, melting point apparatus, stirring hotplates, instrumentation, instrument

CHEM 356 $80 For micropipettes and micropipette tips, DNA and protein electrophoresis supplies, spectrophotometer cells and enzymes

CHEM 372 $40 For gas cylinders, infrared spectrometer cells, chemicals and glassware

CHEM 462 $50 Fort chemicals, chromatography materials, NMR solvents

DANCE 147 $100 For film stock and field trip travel

ECED 407 $25 For disposable headphones and instructional materials

ECED 417 $25 For assessment kits and instructional tools

ECED 429 $25 For reading assessment kits and evaluation resources

ELED 363 $20 Materials to support literacy instruction in public school classrooms

EMF 221 $25 For equipment replacement

EMF 222 $25 For grip and lighting accessories and tools needed to properly and safely set up, operate and maintain industry standard lights and grip equipment. Cameras and accessories related to care, maintenance.
