### What is our mission statement?
The Big Event at Towson University is a student-run service effort with the purpose of saying “thank you” to our neighbors by embracing hard working volunteers to promote unity within Towson.

### Who will be serving at my site?
Volunteers range from different student organizations, Towson alumni, Towson staff members, or even a group of friends that want to serve together.

### What can I expect day-of in regards to supplies?
Due to monetary restraints, we are only able to provide our students with gloves to complete their service; therefore, all other supplies must be provided by you for each task.

### What types of service can the volunteers perform?
Some types of service that our students can perform include weeding, mulching, planting, painting, and projects alike. All service must be performed outside of the home. Students are not allowed to use power tools or complete work within the private residence.

### How do I request volunteers?
You can visit [www.towson.edu/thebigevent](http://www.towson.edu/thebigevent) to request volunteers and register your service site. Homeowners may also mail in their door hanger on the address listed. You will be contacted by The Big Event to arrange a service site evaluation after submitting your registration forms.

### How will the students get to my site?
Depending on where you live, students will either walk to your site or transportation will be provided for them.

### What can I expect day-of in regards to students coming?
Students will sign in at The Big Event meeting location and then subsequently begin their journey to your home or organization. Due to monetary restraints, only certain groups will be driven meaning some students will walk and the arrival times will vary. Please be patient with the arrival times.

### How many volunteers come to my house?
The number of volunteers differs for each service site depending on the work needed at your site and the availability of volunteers on the day-of.

### What if I have any questions on the day-of?
There will be a contact number sent out before the day-of to call if any questions or concerns come up. Additionally, you can email us at thebigevent@towson.edu and we will respond as quickly as we can.

### When is the last date I am able to register as a service site for The Big Event 2018?
The last chance to register as a service site for The Big Event 2018 is April 1, 2018 at 11:59pm. Please visit [www.towson.edu/thebigevent](http://www.towson.edu/thebigevent) to register your site!
