

Towson University Family Weekend FAQ

Where should I be parking for Family Weekend?

Parking will be available in garages and surface lots on campus. Additional parking information may be communicated closer to the date via [CampusESP](#). You will need to read the signs carefully to avoid getting tickets. Please see [Towson University Athletics' webpage](#) under Fan Central/Football Game Day Central for football parking information.

Do all family weekend events need tickets?

No. Most of our events are free, and many don't require a reservation! The only two events that need to be paid in advanced are the Crab Feast and the Towson University vs Villanova Football Game. For all other events, please check the schedule and the [Eventbrite page](#) at to RSVP if necessary.

Where do I go register for family weekend?

Visit [Eventbrite](#) to purchase tickets for the Crab Feast and to RSVP for any reservation-required events. Football tickets are available via Ticketmaster (link coming soon) or via phone at 1-855-TU-TIGER. Those links can be found on the Family Weekend website by searching "Family Weekend" on any towson.edu webpage. If problems persist, please call the New Students and Family Programs office at 410-704-2309.

I'm a member of the Towson Family Network. How do I get my Crab Feast discount?

You will receive a promo code with instructions for use via email. Please wait until you receive the promo code to purchase tickets—there's plenty of room for all of our TFN members at the Crab Feast! We are in the process of updating our membership roster for Summer 2019 and don't want to miss anyone.

What accommodations are available for Family Weekend?

Please visit the [Local Accommodations and Attractions page](#) for suggested accommodations and TU hotel rates as available.

Will there be shuttles or some type of transportation available during Family Weekend?

On-campus shuttles will run as scheduled. Please see [Parking & Transportation](#) and download the TU Tiger Ride app for routes and schedules. Paratransit is available for anyone needing assistance with mobility related accommodations by calling 410-704-RIDE (7433).

Are we allowed to bring as many family members as we want?

Yes! We want to see all of you back here at Towson University.
