Greek Life Gone Virtual

While it was most likely difficult to transition to virtual learning for students, it was equally as difficult to try and transition Greek Life as well as that may include a different way of programming and interacting with your new and current members. Students in our community continue to impress us with their creativeness and resilience and that is why we love what we do! Although time may have been cut short for our Spring 2020 graduating seniors, the Greek Life staff wanted to express our appreciation for them and remind them that it is still THEIR year! Congratulations Order of Omega Initiates Spring 2020

Despite our current circumstances, the Rho Alpha chapter of Order of Omega Greek Honor Society at Towson was able to induct 20 new members this semester, one of whom was our very own Honorary Roody Vital. We were able to conduct a Virtual Initiation Ceremony on April 15th for the 3 seniors that will be graduating this semester. As the returning new members are already initiated, we hope they will choose to participate in the formal Fall 2020 Initiation.

Congratulations!

All the best,
The Greek Life Staff
