

T.I.G.E.R.S.

Grab your roommate and try to beat them at T.I.G.E.R.S.. This spin on the basketball classic H.O.R.S.E. can be played indoors or virtually with family, friends, or roommates. How creative can you get with your shots to beat your competition?

- **Supplies**
 - A table tennis ball, racquetball or tennis ball
 - Don't have a ball? Try balling a pair of socks together or balling up a newspaper.
 - A cup, pot, bowl or trash can (preferably empty).
- **Rules**
 - T.I.G.E.R.S is a game played between two or more people. The idea of the game involves matching 'baskets'. The player who makes shots that the opponent does not duplicate, wins the game. Example: The second person shooting must duplicate the first person's shot, if it is made. If the second shooter misses, they receive the letter "T". If the first person's shot is missed, the second shooter may attempt any shot. If their shot is made, the opponent is obligated to duplicate it. Each time a shooter misses a shot that they attempted to duplicate; a letter is "awarded". The game continues until one person accumulates 6 letters or T.I.G.E.R.S.
 - Challenge your competition with creative shots. Place the 'basket' behind a chair; Bounce the ball off a table and then in. The shots you can take are limitless!
