PLAYING THE GAME

10. STARTING THE GAME: At the beginning of the game, the ball shall be put in play by the player in the back right position, who may serve from anywhere along the service line.

11. TIME LIMIT: The games will be played best of three or 50 minutes, whichever occurs first. The Intramural Supervisors will give all teams a 5 minute and 1 minute warning. When time expires whichever team is winning will get the win for that game. In the event of a tie, or a one point difference, one final point will be played to completion.

12. TIME-OUTS: Each team will be granted one (1) time-out per game. Time-outs will be one (1) minute; teams must be ready to play immediately following the time-out. Time-outs do not carry over to the next game.

13. THE SERVER: The server must wait to serve until the official has “authorized” the serve by blowing the whistle to begin play. Each server shall continue to serve until the opposing team gains service. When
serving, the buttocks are not allowed to leave contact with the floor. Legs, feet and hands may extend over the service line but the buttock must remain behind the line through the whole motion.

14. SCORING: Rally scoring will be used for all games.

15. ALTERNATING SERVICE: Service shall alternate as each team regains possession.

16. LET SERVICE: If a ball touches the net on a service, but crosses onto the opponent’s side of the court, that serve will be considered legal and in play.

17. ROTATIONS: The team receiving the ball for service shall immediately rotate one position. Exception: the first serve of each game (for each team).

18. SUBSTITUTIONS: When a player is substituted for, they may only return to the game by taking the place of the player that replaced them in the rotation. Exception: A team may choose to substitute by making all substitutions at the server position. If a team chooses to substitute in this manner, all substitutions must be made this way the entire game.

19. PLAYING THE BALL: A player may leave the court to play the ball. A ball hitting a sideline or an end line is in bounds. Players must contact the floor at all times during play with a part of the body between the buttocks and shoulders.

20. TOUCHING THE BALL: The ball may be touched only three (3) times by one team before being returned over the net. NOTE: Blocking the ball does NOT count as a touch. However, if the ball then goes out of bounds the person who blocked it shall be the one considered to have caused it to go out of bounds.

21. BACK ROW ATTACKING: Players in the back row must keep their buttocks behind the attack line at the start of the hit and keep in contact with the floor at all times. Contact may be made with the ball in front of the attack line if the contacted part of the ball is lower than the height of the net.

22. WINNING A GAME: The first two games of each match will be played to twenty-five (25), and the third game (if necessary) will be played to fifteen (15). A team must win by 2 points (25-24 is not a win). In the first two (2) games, there will be a twenty-seven (27) point scoring limit (if a team gains a 27-26 lead, the game is over). If a match reaches a third game, there will be a 17 point scoring limit (17-16 is a win).

23. WINNING THE MATCH: The first team to win two (2) games is the winner of the match.

26. CEILING: A ball that touches the ceiling on a team’s first or second contact will remain in play as long as the ball remains on that team’s side of the net. A ball that touches the ceiling on a team’s third contact or a ball that touches the ceiling and crosses over into the opponent’s court will be out of play.
