**ARRIVAL TIME**

As the first day of move-in is the busiest for the arrival of new students, we ask you to follow this guide to help make move-in as smooth as possible for everyone.

New students should plan to move in on **THURSDAY, AUGUST 25** at the time(s) listed below:

- **Last Name: A - F**  
  8:00 a.m. - 10:30 a.m.
- **G - M**  
  10:30 a.m. - 1:30 p.m.
- **N - Z**  
  1:30 p.m. - 4:30 p.m.

Please arrive during these times to help minimize congestion. While special permission is not necessary if you need to arrive at a different time, we strongly encourage everyone to arrive during their designated times.

**MOVING AIDS:**

If you have a handcart or other such device, it will be very helpful during opening. While we have a number of carts available, due to high demand, they may not be available immediately when you arrive.

**PACKING:**

Remember; pack as lightly as possible, especially if you plan to go home during the semester. You can bring things during later trips. This will help you get in, get set up, and save space in the room you are sharing with your roommates.

**DIRECTIONS**

Click on the link below for directions to the residence halls.

- **Campus Directions**

**PARKING**

You must display the parking permit with your name and building name on your dashboard. You will receive your permit in the mail. This will help the University Police to give you the best directions for unloading near your building. Once you reach the unloading zone you will have 15 minutes to unload your belongings onto a sidewalk or grassy areas outside of your building. As soon as your belongings are unloaded, you must move your vehicle to one of the parking garages. Unattended vehicles or vehicles left in the area for more than 15 minutes may be cited and/or relocated. Your cooperation will help ensure the efficient flow of traffic so everyone can get moved in.

Once your vehicle is unloaded, please follow the direction of posted signs and posted staff to parking areas. A campus parking permit is not required in these areas on this day.

If you have any physical condition(s) that would necessitate special accommodations for move-in, you should contact Housing and Residence Life at 410-704-2516 in advance. [For Capstone operated buildings: Millennium Hall contact 443 704-6455 and for Paca and Tubman Houses, contact 443-704-7484]
