Welcome Page

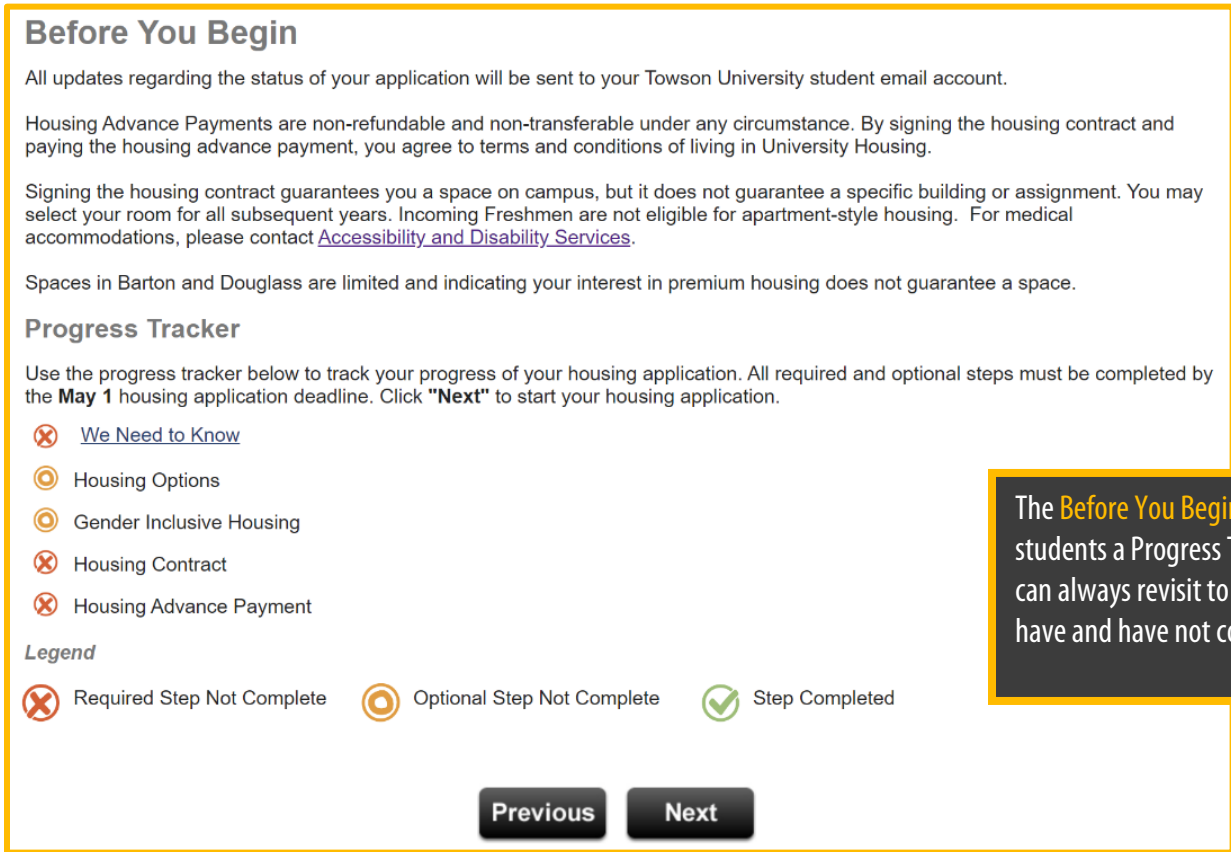

The screenshot shows the 'University Housing!' header with a background image of a building. Below the header, it greets the user as 'Hello Ifioktest Obotstudent,' and states 'We are excited that you have decided to live in University Housing!'. It outlines the steps to reserve a space for the 2024-2025 academic year, mentioning that several questions will be asked, with mandatory steps including signing a contract and paying a \$350 advance. It lists required information like a credit card and emergency contact. A 'Next' button is visible at the bottom right of the page content.

Navigation buttons, such as "Next" or "Previous" will help you progress through the application or revisit pages.

Before You Begin Page (Progress Tracker)

The screenshot shows the 'Before You Begin' section with a heading and a paragraph about updates being sent to the student email account. It details housing advance payments and signing the contract. A 'Progress Tracker' section lists steps: 'We Need to Know' (marked with a red X), 'Housing Options' (radio button), 'Gender Inclusive Housing' (radio button), 'Housing Contract' (marked with a red X), and 'Housing Advance Payment' (marked with a red X). A legend explains the icons: red X for 'Required Step Not Complete', radio button for 'Optional Step Not Complete', and green checkmark for 'Step Completed'. 'Previous' and 'Next' buttons are at the bottom.

The Before You Begin page offers students a Progress Tracker that they can always revisit to see the steps they have and have not completed.

Roommate Matching Questionnaire

All students will complete a roommate 'profile' when submitting their housing application. This profile allows us to know more about your personal living habits and take those into account when placing you with a roommate(s). This does not guarantee that you will be matched with a roommate(s) that has all of the same preferences. **Please complete this yourself and be sure to answer truthfully so we may find the best placement that meets your personality/profile.**

Helpful Tips for Completing Questionnaire

Complete this yourself: Do not have a family member log in and complete it. Only you truly know yourself.

Reflect on each question: Although your first instinct is probably the right answer, take time to think about each question and the long-term effects of each one.

Be honest: You will likely be happier if your answers represent your preferences, not what you perceive your answers "should be." The only "right" answers are those that best reflect you and your needs.

Made a mistake? Don't worry! You'll be able to go back in and edit your responses until Application Deadline.

Fall Triples and 3-Person Roommate Group Options

Due to the increasing enrollment and with demand exceeding the supply for on-campus housing, we have increased the number of available accommodations to ensure we are able to house all freshmen who meet the housing guarantee deadline. As a result, all incoming freshmen have the probability of being placed in a fall triple (converted double rooms) based on occupancy and availability.

We encourage students to consider forming a 3-Person Roommate Group. **Here are the benefits of Forming a 3-Person Group:**

- Retain more control over who your roommates are.
- Enjoy an additional roommate to build strong connections with.
- Receive a special 20% refund for each week for as long as three people are living in the space that has been converted from a double to single. *Please note that students placed in designated permanent triples do not receive the 20% discount.*

More information regarding Fall Triples can be found on the [Fall Triples webpage](#).

Fall Triple Discount: Students who are assigned to a fall triple (converted double room) will receive **20% reduction** each week as long as three people reside in the unit.
