

New Student Fee

Incoming Student Fee

Undergraduate freshman and transfer students enrolling for the first time are charged a \$110 New Student Fee. This fee covers the costs associated with orientation including staffing, the online orientation module, preparation, materials, and publications. The fee also covers all programming for Welcome to TU. The mandatory, one-time fee is assessed regardless of enrollment or Orientation attendance and is nonrefundable. The fee will appear on the student's account.

Family and Guest Fee – This fee is not valid for Summer 2020.

There is a fee for all family members and guests who attend orientation with a new student. All guest fees are paid online through your student's online registration for orientation. **Please note that the family/guest fee is non-refundable.**
