Each year, as an employee of Towson University you are eligible to schedule a phone call, teleconference, or in-person meeting off campus with a representative for answers to your specific state, federal and individual retirement benefit questions.

At your consultation, you will be provided with information that will tell you what your potential income can be when you retire, and how much longer you may have to work. That, along with advice on the best ways to utilize your 401(a)/403(b) options with your state retirement and/or Social Security benefits.

*Please be sure to indicate which type of appointment you prefer (off-campus, phone call, or teleconference) in the notes section while scheduling. Please also include your direct cell phone number.*

Appointments fill up quickly. If you'd like to secure your spot, click on the link below, or simply reply "yes" to this email.

Licensed representatives are not employees of the college or state retirement system. All representatives are independent and licensed by the state department of insurance.
