Uploading or Linking a video from Youtube

1. Navigate to <https://blackboard.towson.edu/>.
2. Enter the desired course.
3. In your **course menu** to the left, enter the **content area** where you would like the YouTube video to appear
4. Select **Build Content**.
5. In this menu under **Mashups**, select **YouTube Video**.

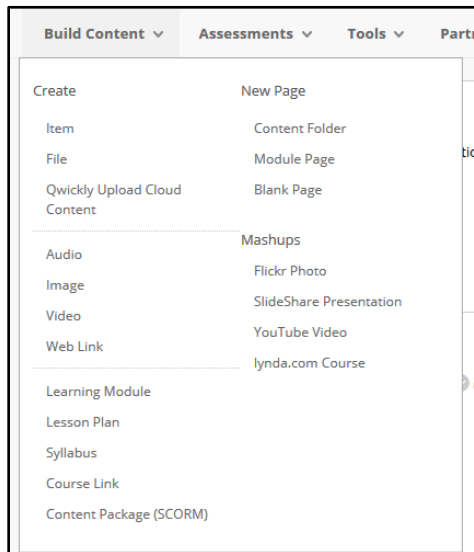

Figure 1

6. Search for the YouTube Video you wish to upload.
7. Once the correct video is located, click **Select**.
8. In the settings you can change how you want the video to be displayed. Under **Mashup Options**, you can change the **View** settings.
 - a. **Thumbnail** will show as a full-size video with a link to watch the video.
 - b. **Embedded Video** will show the video directly on your Blackboard page, with no link.
 - c. **Text Link with Player** will not have an image, just a link to watch the video. You can preview these options by hitting **preview** before **submit**
9. To show the URL or Video Information to the students, select the **Yes** option next to **Show YouTube URL** or **Show YouTube Information**
10. To add an attachment, select **Browse My Computer** under the **Attachments**
11. **Submit**.
