

Qwickly Jot Assignment

A Jot Assignment is an interactive assignment that allows students to draw on a provided document, or create their own. This is great for easily filling out forms, music sheets, or showing work for math problems.

Grading a Qwickly Jot Assignment

1. Navigate to blackboard.towson.edu.
2. Log in with your Towson University **Net ID** and **password**.
3. Enter the course with the **Qwickly Jot Assignment**.
4. Click on **Grade Center** in the left hand menu.
5. Select **Needs Grading**.
6. You'll see the assignments that need to be graded. Locate the **Qwickly Jot Assignment**.
7. Click on the **User Attempt** to grade it.
8. You'll see the submission with the student's drawing on it to the left.
9. To the right, you can input a grade for the **Attempt** and **Feedback** to the student.
10. Below the grade, you can **download** the student's submission.
11. When you're finished, click **Submit**.
