Creating a RedShelf Link in your Course

1. Navigate to <https://blackboard.towson.edu>.
2. Log in with your Towson University **Net ID and password**.
3. Enter the course you'd like to add a RedShelf link in.
4. In the **Course Menu**, select a **Content Area** you'd like to house the link (ex: Information, Content).
5. At the top of the page, select **Tools** (Fig 1, 1).
6. Choose **RedShelf** (Fig 1, 2).
7. Type a **Name**. This **Name** will appear as the link to your Textbook. Students must click the **name** to access your Textbook. We suggest using the actual title of the text to minimize confusion.
8. Click **Submit**.

RedShelf links will be available approximately one week before the start of the semester.

NOTE: For more information, or if you have any issues accessing the link, please contact RedShelf.
