

Accessing Student Preview Mode

Blackboard Instructor

Student Preview Mode

Student preview mode will allow the instructor to see what the student views look like.

1. Navigate to <https://blackboard.towson.edu>
2. Log in with your TU **NetID and Password**
3. Select your desired **Course**
4. At the top left, select the **student preview mode icon**. The icon has two arrows with a circle in the middle.

Figure 1

5. You will now be on student preview mode.
6. To exit student preview mode select **Exit Preview Mode**.
7. A pop up menu will appear ask if you want to delete your student data or keep it. We recommend deleting the preview user unless you need it to complete the task.
