Finding your Grades and Feedback

Your professor may have provided feedback on graded assignments and tests through Blackboard. You are able to view the feedback that has been left for you.

**Viewing Graded Tests and Assignments**

1. Navigate to [https://blackboard.towson.edu](https://blackboard.towson.edu).
2. Login using your Towson University NetID and Password
3. Enter the course with the assignment you would like to view your grade for.
4. On the left hand course menu, select Tools.
5. Select **My Grades** from the list of course tools.

**Figure 1**

6. Tests and assignments that need to be graded by your instructor are denoted with the **yellow exclamation point**.
7. Tests and assignments that have been graded by your instructor will display a **grade**. Any general **feedback** provided by your professor can be viewed by clicking the **blue speech bubble** to the left of your grade or the **name of the assignment**.
