# Blackboard

Textbook Publisher Integration

---

## ***Turning on the Publisher's Link***

Figure 1

1. Login to **Blackboard**.
2. Enter your **Course Site**.
3. Under the **Control Panel**, click on **Customization**.
4. Click on **Tool Availability**.
5. Scroll down until you see the publisher you are using.
6. Next to those items, click all the boxes that relate to those items.
7. Click **Submit**.

## ***Linking Your Course Site with the Publisher***

1. Follow **Steps 1 and 2** from above.
2. Under the **Control Panel**, click on **Course Tools**.
3. Scroll down until you see the publisher's link and click on it
4. For **McGraw-Hill Connect**, select **Pair Course with a Connect Section** (Skip to step 7)
5. For **Person's MyLab/Mastering**, select **Select a MyLab/Mastering product...** (Skip to step 7)
6. For **WileyPLUS**, select **Get Started with WileyPLUS** and then hit **Browse**
7. When the new screen opens, click the green Launch button
8. Follow the steps on the publisher's website to link your course with the site

## ***Still Need Help?***

It's always best to contact your department's Sale's Representative for your text book, or the publisher directly. Below are some links you may find helpful:
