## How link a Panopto folder

---

1. Navigate to <https://blackboard.towson.edu/>.
2. Log in with your TU **NetID and Password**.
3. Enter the desired course.
4. Under **Course Content**, click on the **Plus sign**.
5. A dropdown menu will appear. Select **Content Market** from the the dropdown menu.
6. Once inside the content market, scroll down and select **Panopto Folder Video Ultra Courses**.

**Figure 1**

7. Click on the share icon that is near the top right of the screen.

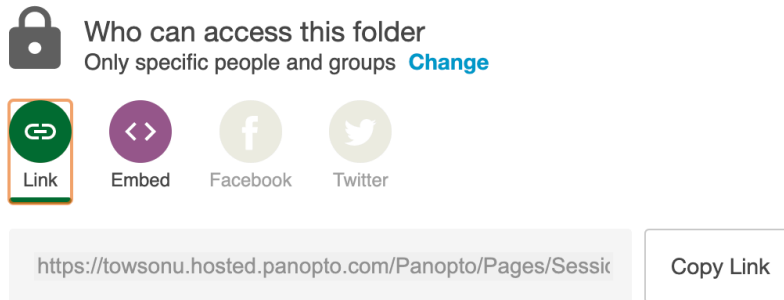

**Figure 2**

8. In the **share** tab, under the **who can access this folder** section, make sure the link icon is selected and then click the **Copy link** button.

# Blackboard

Panopto

The screenshot shows the Blackboard interface for sharing a Panopto folder. At the top, there is a lock icon and the text "Who can access this folder" followed by "Only specific people and groups" and a blue "Change" link. Below this are four circular icons: "Link" (a green circle with a white link icon), "Embed" (a purple circle with white double arrows), "Facebook" (a light green circle with a white 'f'), and "Twitter" (a light blue circle with a white bird icon). The "Link" icon is highlighted with a red border. Below the icons is a text input field containing the URL "https://towsonu.hosted.panopto.com/Panopto/Pages/Sessic" and a "Copy Link" button to its right.

**Figure 4**

9. Go back to the blackboard course homepage and select the plus sign under course content again.
10. In the dropdown menu select create and then click the **link** option.
11. Paste the link you just copied in the **Link URL** box.
12. Once you are ready, click the **Save** button. **Please Note:** the default student availability for this content is set to **Hidden from students**.
13. The Panopto folder will now be linked in the course content stream.
