

# M.Ed. Secondary Education with Post-Baccalaureate Certificate in Special Education

Interested in building your knowledge in both secondary AND special education, while earning a master's degree and PBC?

**Courses start in fall 2023.**

TU's Secondary and Special Education Departments are collaborating in a program specifically designed to support teachers in continuing education.

- Programs include:
  - Online courses (synchronous and asynchronous components)
  - Courses in the evening to support working employees
  - Reduced tuition, which may be fully reimbursed for eligible employees in school districts

**Requirements include:**

- Current MSDE teaching certificate
- Employment in participating school district
- Undergraduate GPA of 3.0 (GPAs slightly under this may qualify for an exception or conditional admission)

**Applications  
open now!**
