Panopto

## Embedding Videos in the Content Stream

1. Navigate to <https://blackboard.towson.edu/>.
2. Log in with your TU **NetID and Password**.
3. Enter the desired course.
4. under **Course Content**, click on the **Plus sign**.

Figure 1

5. A dropdown menu will appear. Select **Content Market** from the dropdown menu.
6. Once inside the content market, scroll down and select **Panopto Embed Video Ultra Courses**.

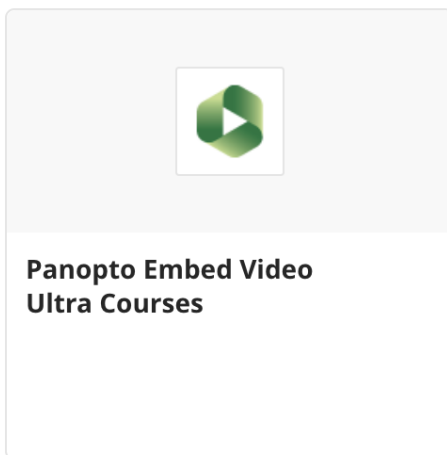

Figure 2

7. You will be taken to a menu where you can decide to embed an existing video in the Panopto course folder, upload a video from your device, or record a new video to embed.
8. Once you have selected the video you want to embed, a bar will appear at the bottom of the screen that reads **Video Embed Options**.
9. Click anywhere on this bar to open the options.

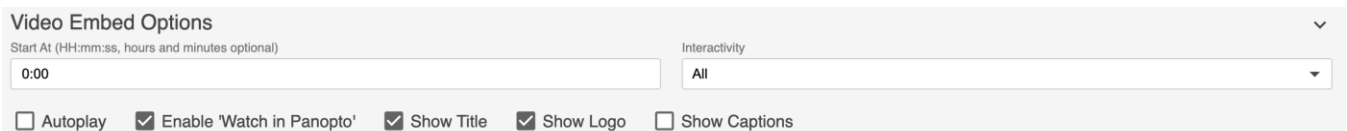

Figure 3

10. After you are satisfied, click the green **Insert** button in the bottom right hand corner of the screen.
11. You will now be able to see that the video has been embedded in the content stream.
